

HUB Div. Summer Cookout

It's already that time again! Time for the Annual HUB Division Summer Cookout. Once again we will visit the Waushakum Live Steamers Club in Holliston, MA. The club is located in Holliston on 26 acres of land. Club members operate scale steam locomotives in 1", 3/4" and 1-1/2" to the foot scales These engines will pull the engineer and several passengers on riding cars.

Date: July 19, 2026

Time: 11:00 AM to 2:00 PM

Location: Arthur St. Holliston, MA

Admission is free and there will be hamburgers, hot dogs, potato salad and corn available. As with our past cookouts, this is a family event so if you are coming you **MUST** let us know how many you will be bringing by **July 14**.

No reservations will be accepted after that date. Waushakum places the food order on Wednesday and we have to give them a count before then.
